A shout comes out of my room Af-ter so much lust and dead

liv-ing I can still live with you You

want me to You fix and bring me food You for-get the way I've

been Ah The o-cean moves and sur-ges in the

heat of the middle of the day in the heat of this thought I'm hav-ing in the

heat of this thought I'm hav-ing Why? Why aren't all hu-man re-

sis-tan-ces burn-ing up with this thought?
